

April 21, 2008

Dear new and returning Teen Adventure Camp Participants:

Are you ready for an exciting week of adventure? Disabled Adventure Outfitters (DAO) Teen Adventure Camp 2008 is just around the corner. DAO staff is eager and ready to bring you a week of exciting, high adventure activities where you can challenge yourself in a supportive atmosphere, focus on teamwork with your fellow campers, and explore the wonders of the outdoors.

Each year we try to bring something new to adventure camp. This year is no different.

Activities we are considering for this year's camp include whitewater rafting (of course!), inflatable kayaking, and possibly rock climbing, a ropes course, drift boat fishing and/or gold panning.

The dates for 2008 Teen Adventure Camp are:

Saturday, July 26 to Friday, August 1, 2008

Enclosed with this letter you will find a letter introducing our program to your parents, and packet of important forms to fill out and return. There is limited space available and your attendance will not be confirmed until we receive your fully completed paperwork.

- *There are five pages to complete, and all must be **COMPLETED IN FULL & SIGNED**.*
- *The deadline to have your paperwork completed, put in the mail, and postmarked is **Saturday, June 28, 2008**.*
- *Make sure you put sufficient (extra) postage on the envelope!*

The 2008 Adventure Camp season will be filled with great times and inspiring people. We can't wait to see you at camp. Until then, paddle hard and we'll see you in the summer!

Sincerely,

Todd Smith
DAO President

Chris Michael
DAO Program Coordinator
